ANSWER IN DETAIL

Q1. Are the little girls' friends or strangers? How do you know?

Ans. The two little girls were strangers we came to know this when both of them from different homes happened to meet in a lane between two homes, one girl was very small and another little bigger. The little one wore a blue frock and another a yellow print . They had just met each other by returning from the church.

Q2. Why did Malasha's mother became so angry?

Ans. Malasha's mother became so angry because Akulya's mother struck her daughter on the back of her neck malasha was howling so that she could be heard by everyone down the street.

Q3. Describe the game that the two girls played?

Ans. The game that the two girls played was – Akulya took a stone and begin scraping away on the earth in front of the puddle .She wanted to make a channel through the water run down in the street soon Malasha joined her and helped her to dig the channel with a small wooden stick. The girls followed the stream, playing with it and laughing.

Q4. How did Akulya’s grandmother finally stopped the fight?

Ans. Akulya’s grandmother stopped the fight by telling the crowd that you should be ashamed of yourself to go on fighting on account of these young girls .When they themselves have forgotten all about the matter and are playing happily together.
